University students

For Colleagues: September

STAFF TRAINING – HOW?

Identify the relevant competences we can share with others

Design an appealing programme for traditional partners and potential new partners

Involve several departments within our University: IRO, project development, academic services, library ...

Present a General Overview of the University

STAFF TRAINING – HOW?

Show the unique and most relevant aspects of our University
(what makes us different)

Promote site visits to halls of residence, canteens and
meetings with Faculties and Departments

Never disregard networking activities and social programme
