

Project: Strengthening university autonomy and increasing accountability and transparency of Western Balkans Universities / STAND

Project Number: 618805-EPP-1-2020-1-XK-EPPKA2-CBHE-SP

The *Regional Experts Network* is created in order to support the long-term impact of the project as well provide support and advice to all HEIs in the region in the university autonomy and transparency. The project coordinators from all partnering institutions will be in charge to expand the Network and identify and contact potential members.

The membership will be expanded during the whole project cycle and beyond. The idea is that the Network serve as a database of experts (not only from Western Balkans but also cross-regional and international) that are experienced with the university autonomy and are engage in process in different countries. The Network will secure a longterm sustainability of project since it will provide its content, and will be also charged with providing advices, guidelines and recommendations to policy-makers and academia.
